Once submitted, your resolution will be reviewed by the Resolutions Committee, which is composed of The Rev. Marcus Germaine (Chair), The Rev. Brent Woodard, The Rev. Helen Hall, Ann Wood and Sharon McIntosh. If necessary, the Committee will work with the movers to ensure feasibility and clarity of the motion (See Canon 3.2: C). The resolution will then be included in the April 26th Synod Packet for all delegates, which will give everyone ample time to consider, pray, and reflect on the motion.

Please note, that in order to facilitate a smooth electronic Synod, no resolutions will be received “from the floor” during Synod. Late resolutions will be considered if submitted by May 12th, but only if the mover can show why they could not have submitted the resolution by April 12th.
